

 Output	Turbo 350LM	
 USB-C	 1m Impact Resistance	 IP44

- ◎ USB C Charging Port
 ◎ Power Bank

◎ Product Features

- Two switch controlled head light and side light with red laser meet various lighting needs.
- USB-A output function enables it to function as a power bank.
- Portable with steel clip on the back.
- The magnetic tail can be firmly fixed to metal surfaces for all-round illumination, leaving your hands free and preventing fatigue.
- Open metal hook embedded in the rear for easy suspension.

◎ Parameters

Bulb	Head: 5W LED/Side: Luminus SST20 10W Ra95 and red laser		
Material	PA+Aluminum		
Product Size	136×25×39mm		
Unit Weight	210g		
Battery	built-in 18650 Li-ion rechargeable battery (3.7V 2000mAh)		
Input Current	5V 1A		
Charging Time	about 3h		
Mode	Head Light	Side Light	Red laser
 Output	250 Lumens	350 Lumens	/
 Runtime	3h	3h	/

95 CRI+

The colors are real and natural, like sunlight.
